OMTA Solo Festival

Performer's Guide

All events are held at Johnson County Community College.

Student _____
Solo Level _____
Solo Piece _____
Composer _____

Solo Time _____ Solo Room _____
Theory Level _____ Instrument _____

On Festival Day:

1. Before you arrive, please make sure that all measures in the music you will give to the judge have been numbered.
2. Arrive 20 minutes before you are scheduled to perform your solo, unless you plan to take your theory test prior to your performance.
3. Check in at the registration table in the lobby. A helper will direct you to warm-up rooms.
4. Be outside your performance room 5 minutes before your scheduled time. Hand your music to the door monitor. You MUST have original music (no photocopies).
5. Once inside, you may test the piano, tune, etc. Wait for the judge to tell you that he or she is ready for you to begin.
6. Stand up and announce your name and the name and composer of your piece before playing.
7. If you have not yet taken your theory quiz, your room monitor will direct you to the theory room. Check in at the teacher's table. A teacher will give you your quiz. **Please note: the theory room will be closed from 12:15 - 1:00 pm.**
8. Once you have completed your theory quiz, you may exit the room quietly.
9. After you have completed both your theory quiz and performance, you are done.
